Subject: Study at IIT Indore, India

To: International Office <intlooffice@iiti.ac.in>

Hello Sir/Madam,

Greetings and warm wishes from Indian Institute of Technology Indore, India!

Indian Institute of Technology Indore, located near Indore city in the heartland of India, is an institute of national importance in the field of Science and Technology. The institute is spread over a 500-acre campus, and houses 11 departments and more than 153 faculty members offering 42 major academic programs to over 2000 students. In addition to its academic programs, the institute also manages 10 centers for nurturing higher learning, professional ethics, innovation, and entrepreneurship among them. It carries forward the culture of excellence and hard work embedded in its social environment. It is among the top 10 engineering institutes in the country. We have been collaborating with the various renowned universities of USA, UN, Australia, France, Germany, Japan, and many more countries.

IIT Indore offers:

i. Master of Technology (M.Tech.)

1. Electrical Engineering with specialization in Communication and Signal Processing
2. Electrical Engineering with specialization in VLSI Design and Nanoelectronics
3. Mechanical Engineering with specialization in Production and Industrial Engineering
4. Mechanical Engineering with specialization in Mechanical Systems Design
5. Metallurgy Engineering and Materials Science with specialization in Materials Science and Engineering
6. Metallurgy Engineering and Materials Science with specialization in Metallurgy Engineering
7. M.Tech. in Electric Vehicle Technology from Center for Electric Vehicles Intelligent Transport Systems (CEVITS)
8. M.Tech. in Space Engineering from Department of Astronomy, Astrophysics and Space Engineering (DAASE)

ii. Master of Science (M.Sc.)

1. Chemistry
2. Physics
3. Mathematics
4. Biotechnology
5. Astronomy

iii. M.S. (Research)

1. M.S. (Research) in Computer Science and Engineering
2. M.S. (Research) in Electrical Engineering
3. M.S. (Research) in Mechanical Engineering
4. M.S. (Research) in Space Science and Engineering from Department of Astronomy, Astrophysics and Space Engineering (DAASE)

5. M.S. (Research) in Humanities and Social Science from School of Humanities and Social Science (HSS)

iv. Doctor of Philosophy

1. Computer Science and Engineering
2. Electrical Engineering
3. Mechanical Engineering
4. Civil Engineering
5. Metallurgy Engineering and Materials Science
6. Bio-sciences and Bio-medical Engineering
7. Chemistry
8. Physics
9. Mathematics
10. English
11. Philosophy
12. Economics
13. Psychology
14. Sociology
15. Astronomy, Astrophysics and Space Engineering

Students can apply for higher studies (PG/PhD) at IIT Indore through various programs sponsored by Ministry of Education, Government of India as listed below:

Indian Council for Cultural Relations (ICCR): Its objectives are to foster and strengthen cultural relations and mutual understanding between India and other countries; to promote cultural exchanges with other countries and people; and to develop relations with nations. **Visit website for more information:** <http://a2ascholarships.iccr.gov.in/>
Apply

Study In India (SII): The Study in India is a flagship project of the Government of India. The SII program offers scholarships and tuition fee waivers for meritorious students applying to the program. Institutes under the initiative offer from 25% to 100% tuition fee waivers. **Visit website for more information:** <https://www.studyinindia.gov.in/>
Apply

ASEAN- Doctoral Fellowship Program: Scholars from ASEAN countries apply for PhD fellowships to complete their Ph.D. in IITs with funding from the Government of India. The funding includes a monthly stipend and an annual research grant for up to 5 years of their Ph.D. program. **Visit website for more information:** <https://asean-iit.in/>
Apply

Please apply to these programs sponsored by the Government of India. By choosing **Indian Institute of Technology Indore (IIT Indore) as host institution, students can apply to above listed programs for higher studies.**
