Subject: Scholarship Opportunities for Masters and PhDs. in Germany

INRO is planning to conduct an information session regarding the scholarship opportunities in Germany for Masters and PhDs including DAAD Scholarship. Two separate sessions will be conducted for Masters and PhDs on **30th and 31st March**

Students need to be registered prior to the programme.

Registration links and the information of the information sessions are attached herewith. It would be highly appreciated if you could kindly share this information with the students of your faculty.

Thank you.
