30th June 2022

Dear All Engineering Students,

CONTINUATION OF ACADEMIC PROGRAMME AT THE FACULTY OF ENGINEERING FROM 04TH JULY 2022

Below is the brief outline of the decisions taken at the Emergency Faculty Board meeting held on 29th June 2022.

(1) For E/20 Batch

Resume academic work of week 3 of semester 1, in online platform from 04th July 2022. Revised timetable will be made available in few days time.

(2) For E/19 Batch

Field selection activity will be open for students from 06th July 2022 to 15th July 2022. List of eligible students to participate Special Sessions will be announced soon. Expected starting date of online lectures is within the week starting from 04th July 2022.

(3) For E/18 Batch

For computer engineering students, General Elective semester will continue in online platform. All other students will continue industrial training. If situation permits, partly done semester 3 examination will be scheduled before semester 5 starts.

(4) For E/17 Batch

Reschedule semester 3 examination from 08th July 2022 to 22nd July 2022 by shifting/adjusting dates of already prepared examination timetable. Dead week will extend up to that time. Timetable for semester 5 examination to be decided later.

(5) For E/16 Batch

For non-computer engineering students, carryout the 10 week industrial training session from 01st August 2022. If situation permits, conduct semester 7 examination from 18th July 2022. If not reschedule semester 7 examinations after industrial training.

For computer engineering students, start academic work for semester 7 online from 04th July 2022. Reschedule pending semester 5 examination for them after semester 7 examinations.
