Dear Sir,

## Notice of Trade union action on 13th December 2022

The Federation of University Teachers' Associations (FUTA) has decided to go on a one-day token strike on December 13, 2022, to show how disappointed we are with the proposed inland revenue bill. FUTA wants the government to make changes to the bill based on its suggestions.

As a sister union of the FUTA, the EFTU-Engineering Faculty Teachers' Union, decided to support the decision of the FUTA in this regard.

Accordingly, we would like to inform you that all members of EFTU will refrain from work and go on strike on December 13th, 2022.

Thank you!

General Secretary,  
Engineering Faculty  
Teachers' Union - EFTU
