**STAGING PROTESTS IN THE NEAR VICINITY OF THE SENATE BUILDING OF THE
UNIVERSITY**

It has been observed that over the recent past, certain student groups behave in an unruly manner in front of the senate building. It should be borne in mind that the senate is a sacred and iconic place and is considered the heart of the university of Peradeniya. The central administration operates at the senate where more than 200 university employees work day and night to facilitate the smooth functioning of nine faculties and a multitude of centers and units. Shouting slogans, displaying banners, placards, and cutouts, and playing music during working hours undoubtedly interrupt the regular functions of the senate.

It is reliably learned that some students intend to hold a protest in front of the senate on December 21st. Please be informed that no one is permitted to hold protests in the near vicinity of the senate building. In the unlikely event of staging a protest in the near vicinity or inside the senate, the university administration is compelled to take stern punitive actions against the organizers and participants.

Acting Vice-Chancellor
