

Scholarships for International Students

Scholarships for International Students

Generous Scholarships For An Affordable Education

You've worked hard, and we want to reward you for your achievements. Recognizing the academic merits and financial need of our international students, we offer substantial scholarships to help make a Point Park education affordable.

Our privately funded merit scholarships are available to international students at all levels - undergraduate, transfer and graduate. If you are a student from a non-English education country, you are still eligible for scholarship money, based on your academic success and a satisfactory TOEFL/IELTS score.

Some of our undergraduate academic merit scholarships may cover more than 50 percent of the cost of tuition. Merit aid is to be used to offset the cost of tuition and fees ONLY. Below are the scholarships available to international students along with their respective requirements.

Scholarships for the 2022-2023 Academic Year

Point Park University is pleased to offer a wide range of generous merit-based scholarships based on academic and/or artistic achievement.

Scholarships are a form of gift aid and do not need to be repaid. When you are accepted to Point Park, you automatically are considered for these awards. We invite you to explore our many Point Park scholarships, listed below, and their awarding criteria. Scholarships do not apply to summer semesters or courses.

Conservatory students are not eligible for academic scholarships in the Schools of Arts and Sciences, Business, Communication and Education. View the [Conservatory Scholarships](#) (<https://www.pointpark.edu/admissions/financialaid/typesoffinancialaid/scholarships/pointparkscholarships/COPAScholarships>).

ACT/SAT is waived for applicants from certain countries (view the [list of countries \(index#testopt\)](#)), however, official completion certification will be required for certain countries. Email iss@pointpark.edu (<mailto:iss@pointpark.edu>) to inquire about application requirements for your country of origin.**

GRADUATE STUDENTS (2022-23)

Schools of Arts and Sciences, Business, Communication and Education

Scholarships listed on this page are for students who will enter Point Park for the 2022-23 academic year. Applicants who submit a complete application can be eligible for merit scholarships based upon successful TOEFL/IELTS score (if applicable) and academic merit.

\$500-\$1,500/ academic year.

Academic merit scholarships are considered for applicants who submit a complete application (based upon program). Students that have the equivalent of a 3.0/4.0 GPA and a TOEFL or IELTS score that meets minimum requirements will be considered for academic scholarships . Students must be enrolled for full time studies and maintain good academic progress in the graduate program in order for the scholarship to be renewed yearly

Admission requirements for international graduates can vary by program. Please visit the [requirements](#) ([../Requirements/Graduate](#)) page for details.

Doctoral programs are not eligible for scholarship consideration

Additional Scholarships and Awards: Conservatory of Performing Arts and Athletics

[Performance awards](#) ([../././FinancialAid/TypesofFinancialAid/Scholarships/PointParkScholarships/index](#)) are offered to students pursuing degrees in the Conservatory of Performing Arts. Students must be academically and artistically admitted in order to be eligible for conservatory awards.

All Conservatory majors are required to submit a portfolio or audition materials in order to be considered for artistic admission. Please email the Conservatory of Performing Arts directly at conservatory@pointpark.edu (<mailto:conservatory@pointpark.edu>)
